AGENDA REPORT

Area E Disaster Management Joint Power Authority

General Board

To: Area E General Board
From: Andrew Vialpando, Area E Executive Committee Chair
Subject: Disaster Management Area Coordinator (DMAC) Contract Amendment

BACKGROUND

The position of Disaster Management Area Coordinator (DMAC) was reclassified by the Area E General Board in September 2014 from full-time employee to part-time contractor. This was done in order to reduce the liability of the Joint Powers Authority (JPA) and minimize the costs and oversight issues associated with a full-time employee. As a result, it was decided that the contracted DMAC would be paid a monthly fee and all other "business costs" would be the financial responsibility of the contractor.

In June 2015, Cullen Armet was awarded the DMAC contract. Since then, he has indicated that the position requires frequent travel in order to fulfill the requirements of the position and to perform the job adequately. Mr. Armet has requested that the contract be amended to include reimbursement for mileage at the rate established by the Internal Revenue Service.

FINDINGS

The Area E Executive Committee discussed the request to allow mileage reimbursement for the DMAC. The Committee determined that the proposed amendment would not impact the Area E Fiscal Year 2015-16 budget because \$1,280 is already allocated in a separate line item toward mileage reimbursement for the Administrative Manager. The Administrative Manager is not expected to claim mileage reimbursement funds since the DMAC position has been filled.

The DMAC contract currently precludes the DMAC from submitting mileage reimbursement. Allowing the DMAC to submit for mileage reimbursement requires a contract amendment approved by the Area E General Board.

The proposed amendment to the DMAC contract is attached. The amended language was reviewed by the Joint Powers Insurance Authority (JPIA).

RECOMMENDED ACTION

It is recommended that Area E general board review and approve the Amendment to the Agreement for Coordinating Disaster Management Services with Area E Disaster Management.

AMENDMENT TO AGREEMENT FOR COORDINATING DISASTER MANAGEMENT SERVICES WITH DISASTER MANAGEMENT AREA E

THIS AMENDMENT to the AGREEMENT FOR COORDINATING DISASTER MANAGEMENT SERVICES between Disaster Management Area E, a joint powers authority (hereinafter called "Area E"), and **Cullen Armet**, an individual (hereinafter called "Contracted Coordinator") is effective as of **September 16, 2015**.

RECITALS

- A. Area E and Contracted Coordinator entered into an Agreement for Coordinating Disaster Management Services dated May 22, 2015 ("Agreement"), whereby Contracted Coordinator agreed to provide Disaster Management Area Coordinator services for Area E, as described in the Scope of Services in the Agreement.
- B. Area E and Contracted Coordinator now desire to amend the Agreement in order to modify terms and conditions to allow the Contracted Coordinator to be reimbursed for vehicle mileage costs.

TERMS

- 1. **Contract Changes.** The Agreement is amended as provided herein.

Section 3 of this agreement is hereby amended as follows:

Section 3. Compensation. Area E agrees to compensate CONTRACTED COORDINATOR, and CONTRACTED COORDINATOR agrees to accept in full satisfaction for the services \$ **5,800** per month subject to prorating in the event of early termination and for any partial month (the "Consideration"). The Consideration shall constitute full payment for the services (including all clerical and secretarial support) and for any equipment, materials, supplies and expenses (including labor, materials delivery tax, assembly, and installation, as applicable) necessary to provide the services. Area E shall reimburse CONTRACTED COORDINATOR for vehicle mileage costs incurred while conducting Area E business at the federal standard mileage rate set each year by the Internal Revenue Service. Area E shall pay CONTRACTED COORDINATOR the Consideration in accordance with the schedule of payment set forth in Exhibit B attached hereto and incorporated herein. By way of illustration only and to provide an estimate of the nature and scope of the services the parties anticipate will be required to achieve the results expected under this AGREEMENT, the parties estimate CONTRACTED COORDINATOR will devote 25-35 hours per week performing the services. In the event that significantly more or less time is required on a regular and continuing basis, either party may request consideration of an adjustment in the Consideration.

Area E agrees to pay up to \$300 for costs associated with professional memberships. Any amount above this threshold shall be paid by CONTRACTED COORDINATOR.

Area E may pay for CONTRACTED COORDINATOR's attendance at annual meetings / conferences upon prior approval of the Governing Board. Such payment(s) shall be limited to travel by common carrier, registration and lodging without regard to per diem.

AMMENDMENT EXECUTED the day and year stated above.

AGENDA REPORT

Area E Disaster Management Joint Power Authority

General Board

To: Area E General Board
From: Jennifer Cerda, Area E Administrative Manager
Subject: Area E Fiscal Year 2015-16 Budget Amendments

BACKGROUND

In May 2015, the Area E Fiscal Year 2015-16 Budget was approved by the Area E General Board. The Area E Fiscal Year budget is a combined total of Emergency Management Performance Grant (EMPG) allocation, and Area E Joint Powers Authority City dues contributions.

FINDINGS

In July 2015, staff was notified by the California Public Employee Retirement System (CalPERS) of Area E's expected contributions to pension and annuitant accounts. As a result, a lump sum payment to CalPERS for Area E's Unfunded Accrued Liability was made to bring the Area E account up to date. The expected amount to be spent on CalPERS retirement and annuitant in FY 2015-16 is \$20,690 and \$7,080, respectively.

At its August 6, 2015 meeting, the Area E Executive Committee approved a Professional Services Agreement with Human Resources Consultant Sharon Greth in an amount not to exceed \$10,000. The estimated amount to be spent on Human Resources / Payroll services is \$10,000, including \$2,000 already allocated for payroll services. Sharon Greth's services include full-service management and oversight of Area E's human resources, payroll, and benefits accounts for staff.

In August 2015, staff was notified that Area E would receive less in 2015 EMPG grant funds than what was originally projected. The 2015 EMPG reimbursement was estimated to be \$222,850 when the FY 2015-16 budget was approved in May 2015, but has been adjusted to \$210,000.

At its September 3, 2015 meeting, the Executive Committee approved a Professional Services Agreement with Richards, Watson, and Gershon (RWG) for legal services. The Agreement authorized Area E to pay its outstanding balance for legal services obtained in March 2015, as well as to retain RWG as Area E's Legal Counsel. The revised amount to be spent on professional services is \$12,200.

The table below shows the proposed budget amendments and the affected line items in the FY 2015-16 approved budget. With the proposed budget amendments, it is estimated that the Area E office will be operating with a \$177 surplus.

Detailed expenditure and revenue charts comparing the Area E FY 2015-16 adopted budget to the proposed amended budget are attached (Attachments A 1-3).
